| 4. Mr. Ramesh Meena | (Clark) |

Swami Vivekanand Mahila Mahavidhyalaya, Roopangarh, Rai Ka Bagh, Parbatsar Road,
Roopangarh, Ajmer

Suggestions by the external committee

1. Mass Plantation of more number of trees like, Amla, Ashok, Glomar etc.
2. Planting at the Boundary wall including shrubs like, kaner, boungvilla, and hibiscus with low pressure drip line.
3. Playground need up gradation also.
4. Put Potted Plant in front of building, inside the office room and the main gate.
5. Care and maintenance is required for lawn.
6. Seasonal flower also grown during winter and rainy season.
7. Sound Pollution should not be exceeding more than 30 decibal and Conocarpus trees may be planted near the road side to reduce the sound pollution.
8. Hedge also planted inside the paths of the college.
