➤ INTRODUCTION

Mahatma Gandhi has said again and again, “**Lack of Education in Women Hamper the all Round Development of the Society.**” Swami Vivekanad Mahila Mahavidhyalaya Roopangarh aims at the upliftment of the society, by providing higher education to the girls along with culture. In order to fulfil the standards of excellence the college times its level best to the quality and content in education in every discipline, we try to keep pace with the progress of knowledge. In the year of 2016 Swami Vivekanad Mahila Mahavidhyalaya Roopangarh was established wants to teach each daughter of Roopangarh and every village surrounding it. To come out of their houses, be away from their chores and take advantage of education which is rightly theirs qualify if we educate our daughter, they will be independent. A new life begins for them with every second. Let us go forward joyously to meet it we must parents to impart education to their daughters. It is a great opportunity for women students. This is the only college for women in Roopangarh.

The college has five subjects Hindi, Sanskrit, geography, History and Political Science as optional and General Hindi, General English, Environment and Ghandism as compulsory subject. We follow the university prescribed syllabus. The Institute has its well-equipped Library, a Sports Room, Reading Room, Geography lab, Computer lab, a seminar hall with a capacity of two hundred students, a Common Room, an Administrator office, Principal's office, Guidance and Counselling Room etc.

➤ Vision of the College:

To strengthen the societal structure by raising social competence of women through education and to create equal opportunities for higher education to the girls from all socio-economic status.

➤ Mission of the College:

- To ensure that no girl should be deprived of college education in this area.

स्वाश्री विवेकानन्द महिला महाविद्यालय
रूपनगर (अजमेर) राज.

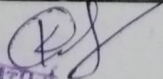

- To promote total personality development of the students by increasing their active participation in such activities.
- To solve problems in self-development of students and train them to realize their potentiality for solving problems by themselves.
- To produce such volunteers as can lead educationally deprived classes to college and to become the role model

➤ INFRASTRUCTURE

• CLASS – ROOMS

The class room is the first necessity in teaching – learning process. Interaction takes place between the teacher and students in class rooms. There are seven spacious and well ventilated class rooms in the college. In the class room teaching requirements are fully meet i.e. platforms, tables, benches, fans, tube lights and Black Boards.

 प्राचार्य
 स्वामी विवेकानन्द महिला महाविद्यालय
 सुभाषनगर (अजमेर) राज.

➤ SEMINAR HALL

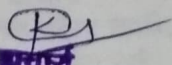

Curricular and Co-curricular activities are under taken for the all round development of students apart from class room teaching. Hidden power comes out in students through cultural programmes, seminars, quizzes, debates and camp.

Seminar hall is the place where energy blossom in students. The welcome ceremony for first year students and the farewell programme for last year students are conducted here. Two Hundred can be accommodated in this auditorium of 50 x 50 sq ft. This is Seminar hall well ventilated and equipped with power connections.

➤ STAFF ROOM

There is a separate staff room for college facility. It is a place where teachers discuss educational and social issues. There is a rectangular table where 12 to 15 teachers can sit. This table is very suitable for staff meeting. Separate lockers are given to each teacher with key and locks where they can keep their teaching material.

 प्राचार्य
 स्वामी विवेकानन्द महिला महाविद्यालय
 रुपनगर (अजमेर) राज.

➤ **WATER COOLER**

The water cooler is set up for cool drinking water. There is a toilet for ladies in the staff room also with all necessary facilities.

➤ **GIRLS ROOM**

There is a girl's room. The room is furnished with chairs and tables for their comfort.

➤ **SPORTS ROOM**

Sports are the necessary adjuncts to the development of students. Sports are given due importance for the career of students. There is a separate sports room for students where the Director of Physical Education is present. The facility of chess board, a carom board etc; are available for students during their leisure.

➤ **PLAY GROUND**

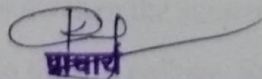

There is a vast play ground in the college for Athletic games. On this ground the facilities for the practice of hockey, softball, volleyball, basketball, kabaddi, Cricket; kho-kho is existing there.

➤ **COMPUTER**

Computer applications are essential in the age of information and technology. There are twenty computers in the lab, two computers in library, two computers in office with a printer, a scanner and a L.C.D. for power – point presentation. A two month computer course is also designed and offered by the college. Joining this course the student can get the basic knowledge to computer applications. Moreover the computer lab possesses with broad band connectivity & LAN.

➤ **BSNL BROAD BAND CONNECTION**

BSNL broad band connection is there for the staff and students to collect world wide information.

 प्रधानाचार्य

➤ LIBRARY

Books are the life and soul of teachers and students. Teachers and students increase their knowledge by reading text books and reference books available in the library. The hunger for reading is satisfied by teachers and students after reading various books stored in the rich college library.

There are more than 2525 books in the library. More than sixteen journals & magazines including national journals & magazines are subscribed regularly. Teachers and students acquire awareness of educational, social, political and economic matters through these journals & magazines. In addition four news papers of Hindi and English are available in the library. The automation of library books has been accomplished; therefore the teachers and students can get ready information about books from the computer screen in the library. The library is open from 9:00A.M to 5:00 P.M. during winter and 8:00A.M to 5:00 P.M. in summer except on public holidays or Sundays. Outstanding Reading rooms are there for students also.

➤ CAREER COUNSELING

To impart knowledge is the main purpose of education. Next to knowledge, our second goal is to succeed in real life. New opportunities come in the way in the chosen fields of students in the age of globalization. Moreover, they set ready to raise opportunity in public and private sectors. Career related information is also given to students. Many things such as employment News, the vacancies for jobs published in newspapers, qualifications for particular profession, institutions running professional courses are put up on the notice boards.

➤ HEALTH AWARENESS PROGRAMME AND ACTIVITIES

Under the two universal truths 'Health is wealth' and 'Prevention is better than cure,' this institute works to awaken the students to perfect health. Medical checking camps are organised time to time in college. Secondly, the seminars and exhibitions for AIDS awareness are held in this college.

 स्वामी विवेकानन्द महिला महाविद्यालय
 कल्याण (अजमेर) राज.

➤ COUNSELING CENTRE

During the student life they face educational, social, and psychological problems. We provide them with the facility of counselling throughout counselling centre from which they get guidance. If required, experts are invited for such counselling.

➤ SUBJECT OFFERS

The college offers 05 Optional and 04 compulsory subjects for B.A. degree programme.

➤ AAA COMMITTEE

The Academic and Administrative Audit Committee for the year 2021-2022 consisting of the following members were constituted:

Sr. No.	Name	Designation	Position Held
1	Dr. Anil Kumar Srivastava	Principal, M.S.T.T.College, Bharatpur & Dean, Faculty Of Education, M.S.Brij University, Bharatpur	Chairperson
2	Dr. Parshuram Dhaked	Dean Academics & Director, Education of Education, Sabarmati University, Ahmedabad	Member Co- ordinator
3	Dr. R. K. Sharma	Principal, Dr. Ambedkar College, Tonk	Member

The AAA committee visited all departments, Library, Sports complex, Computer Laboratories, Administrative office of the college and other offices. The faculty members made PPT presentation about the performance about their respective departments and the members of the AAA Committee interacted with them to assess the academic and administrative performance of the college.

Academic and Administrative Audit Report

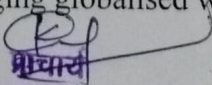

➤ Introduction:

Mahatma Gandhi has said again and again, **“Lack of Education in Women Hamper the all Round Development of the Society.”** Swami Vivekanad Mahila Mahavidhyalaya Roopangarh aims at the upliftment of the society, by providing higher education to the girls along with culture. In order to fulfil the standards of excellence the college times its level best to the quality and content in education in every discipline, we strine to keep pace with the progress of knowledge. In the year of 2016 Swami Vivekanad Mahila Mahavidhyalaya Roopangarh was established wants to teach each daughter of Roopangarh and every village surrounding it. To come out of their houses, be away from their chores and take advantage of education which is rightly theirs qualify if we educate our daughter, they will be independent. A new life begins for them with every second. Let us go forward joyously to meet it we must parents to impart education to their daughters. It is a great opportunity for women students. This is the only college for women in Roopangarh.

The college has five subjects Hindi, Sanskrit, geography, History and Political Science as optional and general Hindi, general English, Environment and Ghandism as compulsory subject. We follow the university prescribed syllabus. The Institute has its well equipped Library, a Sports Room, Reading Room, Geography lab, Computer lab, a seminar hall with a capacity of two hundred students, a Common Room, Principal's office, Administrative office, Guidance and Counselling Room etc.

➤ Objectives:

The Swami Vivekanand Mahila Mahavidhyalaya, Roopangarh formulated its vision and mission keeping in view the fast- changing globalised world. The main

 स्वामी विवेकानन्द महिला महाविद्यालय
 रूपनगर (जयपुर) राज.

objectives of the College are:

- To provide quality education to the students from various parts of the society, to make them academically and technically competent
- To improve existing infrastructural facilities of the college.
- To create higher levels of intellectual abilities.
- To create centres of excellence for research and development and for sharing knowledge and its application.
- To lay emphasis on teaching, research and extension activities.
- To inspire the students to remain uncorrupted and lead a dignified life.
- To lay emphasis on character building by imbibing strong moral characters.

➤ **OUR VISION**

To strengthen the societal structure by raising social competence of women through education and to create equal opportunities for higher education to the girls from all socio-economic status.

➤ **OUR MISSION**

- To ensure that no girl should be deprived of college education in this area.
- To promote total personality development of the students by increasing their active participation in such activities.
- To solve problems in self development of students and train them to realize their potentiality for solving problems by themselves.
- To produce such volunteers as can lead educationally deprived classes to college and to become the role model

➤ **Infrastructure:**

The college has its well-established infrastructure, being supportive to curricular, extra- curricular and co-curricular activities on healthy lines. College is constructed with modern structure, catering to the needs of more than 500 hundred students. College has eight (08) fully functional Class Rooms, one common room, which are well-equipped with adequate furniture, lighting and ventilation. The

mode of teaching is both conventional Chalk & Talk method along with Digital mode.

➤ **The College has the following facilities:**

- Lecture Hall: Eight Lecture Hall.
- One seminar hall (with projector): It can accommodate more than 200 students.
- Computer Laboratory: High Quality Computer Lab with 25 PC's
- Botanical Area: Widespread Botanical Area with more than 28 types of plants and trees in the campus
- Well Equipped Labs:
- Computer Lab and geography lab.
- Computing equipment and internet facilities:
- Library is equipped with desktops with Internet connectivity. College also installed scanner and printer in the office.

➤ **Library facilities:**

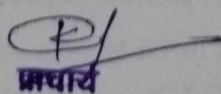

The library has been fully automated which has a rich and varied collection of academic books, some rare journals (both national and international), Magazines, Fictions, Novels Competitive Books, General Books, Reference Books and different types of News Paper published in Hindi, English, which is accessible to all. LIBSOFT software is there in the library. DELNET is available. Computer and internet facility is available for the students inside the Library.

▪ **CCTV:**

College has installed CCTV within the building and outside the building for security purpose.

▪ **Teaching-Learning:**

College has enormous and latest IT Infrastructure to support the teaching & learning processes. Different ICT equipment like Scanners, Printers, LCD Projectors, Wi-Fi modems, Speakers, Pre-sound Amplifiers, and Microphone etc. are available in the College.

स्वामी विवेकानन्द महिला महाविद्यालय
रुमनगढ़ (जयपुर) राज.

- The College has planned programmes to provide exposure to enhance the students' learning experience by student centric methods like field trips, project- based-learning and group discussions are adopted. In addition, guest lecturers/invited talks are also arranged for student from time to time.
- In teaching-learning process, cognitive development like learning, problem-solving, understanding is achieved using Video lectures, demonstrations, quizzes, movie screening etc.
- College always encourage the faculty to publish their creative output in various National and Inter-national journal.

▪ **Special Features:**

Teaching faculty of S.V.M.M, Roopangarh, forms a strong backbone of teaching, learning, research, publication and over all academic development. Many of them have published their papers in various national and Inter-national Journals. The faculty members are also associated with cultural and social organizations and contributed in their own way to make their identity felt by others.

All teaching faculties are committed and working as a team to achieve the academic excellence. The Management of the college is enormously supportive to the progress of the college. Constant and consistent monitoring of all the activities of the college and responding to the academic requirements of teachers, students and other staff members is creditable. The outstanding leadership of the Principal definitely makes all the difference.

▪ **Academic and Administrative Audit**

The Principal constituted the following experts committee and requested to Conduct the Academic and Administrative Audit for the academic year 2021-22.

Report of AAA

• General Observations:

- The Institution is a Women's College.
- Affiliated to M.D.S University, Ajmer.
- Progressive vision of the Management & Principal with a definite plan of action following a decentralised administrative network.
- Qualified and committed faculty members with a mix of experienced and newly appointed.
- Departments function in alignment with the institutional quality policies.
- The percentage of enrolment is good.
- An active IQAC exists.
- Preparing for the First cycle of NAAC accreditation.
- Adequate facilities are provided in the library.
- Support services such as canteen, and transportation are provided.

• Specific area-wise suggestions

❖ College Office

- Periodic surveillance audits may be performed for keeping records updated.
- Fee collection should not be entrusted with the teachers. Fee collection and payment should be done in the office, preferably through online banking system.
- Spatial rearrangement and sectional informative boards may be provided.
- A full-fledged digital enquiry facility is suggested.
- All software's that are in use should be licensed.
- Most of the registers are up to date in postings.
- An electronic information display board may be installed at the entrance of the campus.

❖ Programmes, Curriculum, and Supportive Courses

- More programmes, especially at the Undergraduate level may be started in accordance with NEP and stakeholder requirements.
- Specific documents may be kept in all departments regarding curriculum transaction, including Remedial, Tutorials, Bridge classes, Industrial visits, educational tours etc.
- Relevance of cross-cutting issues should be categorised separately with specific

Report of AAA

mention.

- A department has to resort to more student centric approach.
- Feedback mechanism has to be performed and completed with proper directions from IQAC.
- There should be a mechanism to monitor the quality of supportive courses such as add-on programmes, certificate courses, skill training and coaching classes for competitive examination, value education etc started by the departments.

❖ Teacher quality, Teaching Learning and Evaluation

- Systematic planned training should be given to all teachers on all areas of academic and extra-academic requirements.
- Professional skill development of the teaching and non-teaching faculty has to be insisted and monitored so that a higher level of educations can be ensured in the campus
- The digital learning content developed by teachers has to be appreciated
- Blended system of teaching integrating technology has to be encouraged in accordance with the present day requirements.
- National and International exposure of teachers are highly suggested.
- Tutorial system has to be strengthened especially at the undergraduate level to enhance the learning process.
- Continuous evaluation/formative assessment should be implemented to monitor the learning process
- Overall Results of the institution has to be improved.
- Online evaluation systems can be introduced
- More training has to be provided for all teachers in Open Book Examination. Outcome evaluation and analysis should be done meticulously. A monitoring committee may be formed for the purpose.
- The present method of Feedback on curriculum should be made more effective. All Departments may be guided by IQAC for a Curriculum Audit.

❖ Research papers

- The publications of papers of faculty should be improved.
- Sensitization programmes involving students in identified communities could be systematically organised.
- Considering the legacy of the institution, a committee may be formed to assess

Report of AAA

the quality of extension activities promoted from the campus

❖ Administrative Staff

- Trainings may be extended to segments of the administrative staff, such as Office, Security, attenders, Menial and other supportive personal
- ISO quality standards have to be made known to the administrative staff
- Training should be given in strengthening e-governance
- More training shall be given to improve the IT skills of the administrative staff
- Soft Skills training shall be provided to enhance staff-student, staff-faculty relationships yearly.

❖ Governance

- Vision and Mission of the Institution is followed all through the planning
- An inclusive system of Management was observed
- A Development plan and a policy document exists, with timely implementation
- Sufficient welfare measures are provided to the staff
- It was noted that the outcome of Student Teacher Evaluations and the PBAS are not processed effectively
- Fund mobilisation cell should be strengthened.

❖ Infrastructure

- Amidst space constraints, it was noted that sufficient care is being taken to accommodate all required facilities.
- It is appreciable that additional land facilities are procured for faculty diversification in tune with the NEP and development plan.

Report of AAA

- Quality maintenance of lab facilities in most of the departments should be a major priority. Quality of equipment and cleanliness must be given more attention.
- Good and adequate facilities are given for the physically challenged.
- ICT facilities are low.
- Space constraints can also be seen in providing extracurricular facilities. The available facilities are properly utilized.
- It is commendable that student facilities and demonstrate are integrated in the new facilities provided.

❖ Student Support and Progression

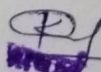

- It is suggested that a monitoring committee may be formed to assess the quality and need of Add on certificate courses offered from the institution.
- A Career Assistance center may be formed to extend support to students for international exams.
- Career counselling must be intensified to improve the attainment in competitive exams.
- A set of teachers can be trained for dedicated counselling.
- Skill development has to be promoted further. There can be collaborations with external agencies like Skill Development Corporation of India.

❖ Library

- The overall ambience of the college library is good.
- Appreciable efforts are taken to provide a better ambience for reading.
- Digital remote access with digital repositories may be introduced to cater to the needs of online references.
- A library committee exists. The implementation of library policy may be monitored.
- The library centred activities like observation of library week and the individual awards instituted for the best library user among staff and students are highly appreciated.

Report of AAA

❖ Green initiatives and inclusiveness

- The College is resorting to a green campus concept
- Green waste/energy audits were performed sufficiently
- Sufficient information has to be conveyed to students and staff regarding important days observed, national obligations, human rights, values etc. through the general display system of the campus.
- More emphasis should be given to the Institutional Best practices by all the departments.

❖ MoU's and Collaborations

- Placement Cell of the college should be encouraged to have agreements with Industrial establishments for training and placements
- Student exchange with other institutions should not be confined to project experiments alone.
- Every MoU should be active with at least one performed activity as per the agreement.
- College should look into possibilities of collaborations with institutions for new areas of study as per the NEP.
- National and international exposure of faculty should be encouraged.

❖ Documentation

- Teachers are maintaining a work diary. Ensure that the work diary of teachers is verified by the Principal.
- Although the departments maintain documents, effective updating should be monitored by IQAC.
- There should be a common institutional format for documentation regarding student participation and attendance list, Geo-tagging, and report of various events.

❖ Statutory Committees, Clubs, Cells and Associations

- The committees, clubs and cells are ample to meet the academic and non-academic requirements of the students. However, more effective committees shall be organised to enhance campus experience and overall development of the students
- Systematic mechanism shall be implemented to ensure efficient functioning of

Report of AAA

- IQAC should ensure and take initiatives to enhance the interactive capacity of Teachers.
- Formative Assessment shall be institutionalised through monthly test papers so as to cater to CIE
- Specific training programmes may be arranged such as OBE, Curriculum transaction, student centred activities, Professional skills, Counselling, Evaluation systems, Accreditation, NET, career advancement Content development, ICT, Curriculum design etc.
- Staff members need to show higher end professionalism
- It should be noted that the IQAC is the quality command centre of the campus and therefore should give appropriate functional directives.
- Teaching plan has to be monitored by the Principal.
- The concept of cross cutting issues should reach the students
- The approach to Remedial/tutorial/bridge classes should be well defined.
- Only a few teachers have resorted to innovative approaches to teaching.
- Women empowerment activities also should not be confined to accreditation requirements.
